A novelty is a glove containing a
pump in the palm, fastening with the
usual clasp, to prevent loss of the
contents.

A windmill successfully drives a
dynamo in an English mill, even with
the wind blowing as slowly as six miles
an hour.

Market Place of the Munnimakers

Fast as They Sell One Thing They Find Another Thing to Advertise. It Must Pay the Advertiser or There Wouldn't Be Any
Advertisers. It MUST Pay the Buyers or There Wouldn't Be Any Buyers. If It Pays Them It Will
Pay YOU To Trade in the Market Place of the Munnimakers.

Copyright, 1939, by Metropolitan Syndicate, Inc., N. Y.

Somebody Else Has a Use for It
If You Have Not

It isn't useless. You only think so. Here is a good idea—a good way to let the little Munnimaker classified ads in the Standard prove that they can make money for YOU. Just wake up to the fact that the thing that you don't want may be the very thing that some reader of the Standard is eager to find and pay for. Look over your belongings, find what you can spare easiest, and then make your offer known to the enterprising Munnimakers, who read through the Standard classified ads every day, for chances to get the things they need, at an advantageous price.

Dear Mr. Munnimaker,
Care The Standard Classified Columns.

Through a little Munnimaker Classified Ad in the
Standard, my whole egg and butter route was built up.

Yours truly,
A WORKER.

Write Mr. Munnimaker, care of The Standard, or phone him, No. 56, whenever you want anything.
